This document not only formally confirms the naming of the "BHS Protocol (The Binghui Song Protocol)," but also constitutes the foundational legal statement of the system's original authorship, copyright ownership, structural anchoring, licensing framework, and interpretive authority.
It serves as the first sealed version of the institutional language structure and holds legal validity in contexts including public citation, institutional deployment, collaboration agreements, and licensing negotiations.
This edition is a standalone textual version without appendices, and represents the legally recognized origin point of the protocol's semantic architecture. All future versions shall be referenced to this foundational version: V1.0.0-alpha.

命名与归属说明｜Naming and Attribution

本制度正式命名为：The Binghui Song Protocol，缩写为 BHS Protocol，由宋炳慧（Binghui Song）于2025年5月6日独立创作并发布。

"BHS"缩写来源于创作者的拼音姓名首字母 Binghui Song，具有语义唯一性与结构主权归属特征。

本制度亦可在中文语境中使用"BP制度"作为通俗称呼。但在所有正式出版物、公开引用、合作协议、机构报告、学术写作等语境中，必须使用完整结构名称 BHS Protocol（The Binghui Song Protocol），并附带以下归属信息：

This system is officially named The Binghui Song Protocol, abbreviated as BHS Protocol, independently created and released by Binghui Song in the United Kingdom on 6 May 2025. The abbreviation "BHS" is derived from the pinyin initials of the creator's name, Binghui Song, and denotes both semantic uniqueness and structural sovereignty.

In Chinese-language settings, the system may also be informally referred to as "BP制度 (BP System)." However, in all formal publications, public references, institutional agreements, research documentation, and academic writing, the complete structural name BHS Protocol (The Binghui Song Protocol) must be used, along with the following attribution:

制度名称｜Protocol Name：**The Binghui Song Protocol**

缩写名称｜Abbreviation：**BHS Protocol**

创作者｜Creator：**宋炳慧（Binghui Song)**

锚定发布页｜Canonical Release Page：[填写官方网站链接]

"BP制度"一称仅作为"BHS Protocol（The Binghui Song Protocol）"在非正式语境中的内部简称，用于口头交流、空间内使用、非结构性笔记或实验对话中之便利指称。

在任何正式出版物、学术论文、媒体报道、合作协议或官方声明中，均不得以**"BP制度"**替代完整命名。 所有正式语境必须使用完整结构名称 **BHS Protocol（The Binghui Song Protocol）**，并严格附带创作者归属信息，不得省略、删减或替换。

此命名声明与主权声明、原创声明、版权声明共同构成制度语言封壳文件的组成部分，所有外部引用者须遵守本命名格式。

The term "BP制度 (BP System)" is permitted solely as an informal internal shorthand for the BHS Protocol (The Binghui Song Protocol), applicable in casual discussion, internal spatial use, non-structural notes, or experimental dialogues.

In all formal contexts—including publications, academic writing, media coverage, collaborative agreements, and official declarations—"BP制度" may not substitute for the full structural name.

The complete name BHS Protocol (The Binghui Song Protocol) must be used with proper attribution of authorship, and may not be abbreviated, omitted, or replaced under any circumstance.

This naming declaration, together with the sovereignty statement, originality assertion, and copyright notice, constitutes an integral component of the protocol's structural sealing documentation.

All external users and referrers are required to adhere to this naming format without alteration.
